

## Media Release

January 2016

# Murray Dairy Welcomes New Board Member

Murray Dairy has appointed Shepparton based Rabobank Senior Rural Manager Mr Andrew Mann as the newest member to the Murray Dairy Board.

Andrew holds a Bachelor of Applied Science (Agriculture), Graduate Diploma of Rural Science (Grain Production) and is a recent graduate of the Fairley Leadership Program. He has been involved in the dairy industry through Agribusiness banking, initially in the Murray Dairy region, before gaining extensive experience in South Australia, NSW and QLD and then returning to the Murray Dairy region 8 years ago.

Andrew's current role as Senior Rural Manager brings to Murray Dairy a diverse expertise in the finance sector and access to networks and knowledge which cross into complementary industries.

"This appointment is not only an exciting opportunity to continue my involvement in the dairy industry, but also to participate first hand in the continued sustainable growth of the industry across the Murray Dairy region", said Mr Mann.

Murray Dairy would like to welcome Andrew to this role and looks forward to his involvement working with him into the future.
